

THE STRATFORD WAY 1978-79

## PRESIDENT'S MESSAGE

I was very honored to serve as the president of the Students' Union council this past year. I feel that the years activities have been very successful, largely due to the student body's excellent enthusiasm. The Students' Council this year has been extremely active in the formation of new clubs, novel activities and interschool competitions. I would like to thank the members for their great ideas and commendable involvement.

I would especially like to thank Mrs. Clarke, Mrs. Pawliuk and Mr. Johnston for helping us when we needed it and for devoting their time and patience to us all year long. The other people that deserve recognition are the staff that voluntarily supervised our dances and helped with our extra curricular activities.

To the graduating class I wish the best of luck. What we have learned about ourselves and our society in junior high will give us the background to go on to a new facet in life.

I strongly encourage those of you who are remaining to become involved in the extra curricular activities of the school. This is what makes a school strong. Have pride in the Stratford tradition that we have left behind. Keep up the spirit!

Good Luck to all.
Pamela Wolfman

#### PRINCIPAL'S MESSAGE

Life is a series of challenges. If we set our goals realistically, apply our knowledge and skills properly, and have faith in our abilities we can meet most challenges successfully. Furthermore, if we temper our successes with love and accept our failings with understanding, we will experience a truly happy, rewarding, and full life.

Once again this yearbook provides us with fond memories of the 1978-79 school year. It was a challenging year in which a number of "firsts" were introduced at Stratford Junior High. A school crest, the participation trophy, winter camping experiences, a stage band and Stratford T-shirts became part of the school scene. They were made possible because we, the students and teachers, worked hard to provide them.

To the grade 9 students leaving Stratford this year we say "Good Luck", and thank you for your contribution to Stratford over the past three years. To those returning, we look forward to working with you to make our school a better one next year. To the yearbook staff and Mr. Friesen, our thanks for a superb yearbook.
